

Callaway Camaro

SC 750

The most powerful Camaro at your Chevy dealer.

That's right, 750 horsepower. You can't buy a new Camaro with more power – and retain the GM factory warranty with maintenance by Chevrolet Dealers nationwide. Plus, for the 2021 model year, Camaros are factory-equipped with Alexa and Google Assistant. Now you can command voice assistant tasks from behind the wheel: stream your favorite music, add to your Amazon shopping list, control your smart home devices, all while enjoying serious Callaway power under your right foot!

The Callaway Camaro SC750 package includes the Callaway-patented GenThree™ supercharging system, unique TripleCooled™ intercooling and meticulous electronic powertrain management calibration for spectacular power: 750 horsepower and 739 lb-ft of torque. Specific badging and authenticity documentation ensure that the added power is matched with added value. Plus, these cars are ZL1-based, which means they come with all of Chevrolet's ZL1 performance goodies.

All Callaway Camaros are constructed by expert craftsmen to Callaway's stringent engineering specifications. With flawless drivability and bulletproof durability, Callaway's 3 Year/36,000 Mile Limited Warranty overlaps the factory GM warranties, providing the most comprehensive coverage of any aftermarket manufacturer.

Sold, serviced and financed by your local Chevrolet Dealer, new Callaway Camaro SC750's are ready for your purchase now.
