Two Tech Review Sessions –

Join Callaway Cars' Founder Reeves Callaway & special guests for a seminar reflecting on 35 years of Callaway Corvettes. From the initial phone call from then Corvette Chief Engineer Dave McLellan, through the development of the twin-turbo Corvettes, and the subsequent years of motorsports success in Europe, to today's commemorative work on the C8 platform. Featured Callaway Corvettes will be present for a walk-around and Q&A session.

-Luncheon Tent; 3 PM Friday; 11:30 AM Saturday.

Callaway Corvette Fun Field Parking –

A specific section of Fun Field parking is available exclusively for Callaway Corvettes. It's located next to the 35th Anniversary display tent. Register ASAP to secure your Fun Field spot. Make sure to select "Callaway Owners Group" or "Callaway Anniversary" for club affiliation. Anniversary Display car owners and registered Fun Field participants will receive additional goodies. Corvettes at Carlisle is the largest Corvette car show in the world. The annual event features thousands of Corvettes representing all generations of America's classic sports car. The weekend is filled with activities, including parts shopping at an expansive automotive flea market, an all-Corvette car corral, and a Manufacturer's Midway populated with leading Corvette parts suppliers. See the current activity list [here](#).

Callaway Cars' tent will be located in the Manufacturers Midway and their latest vehicles and newest products will be on display. Callaway staff will be on hand to answer all of your questions. Show Special prices will also be offered on selected Callaway products.
