

Callaway Camaro SC630

Most Horsepower Per Dollar.

SC 630

Pick a Callaway Camaro SC630 in either LT1 or SS trim and purchase the best horsepower value you can buy. With the LT1 trim level, the 630 horsepower* Callaway “sleeper” is priced at under \$55,000 MSRP. Or step up to the SS trim level and Chevrolet will add more standard equipment. With either trim, these Camaros are factory-equipped with Alexa and Google Assistant. Now you can command voice assistant tasks from behind the wheel: stream your favorite music, add to your Amazon shopping list, control your smart home devices, all while enjoying the thrilling exhilaration of 630 supercharged Callaway horsepower.

Call or text (860) 434-9002 to order yours.

Callaway Camaro SC630

SUPERCHARGED, INTERCOOLED

Callaway's patented GenThree™ supercharger provides 630 horsepower and 610 lb-ft of torque, 175 hp and 155 lb-ft more than stock. Fuel mileage is practically unchanged from stock as the supercharger's internal bypass mechanism diverts the inlet air flow path during idle, low-load cruising, and deceleration, allowing the supercharger rotors to spin freely. Plus, Callaway's proprietary TripleCooled™ intercooler system employs three high-flow heat exchanger elements to reduce inlet air temperature, eliminating power loss typically encountered with supercharged vehicles during aggressive driving.

INTAKE SYSTEM

The high-flow Callaway intake system includes a specifically configured inlet duct and low-restriction filter element to supply the supercharger with the extra air volume that it demands.

OPTIONAL EXHAUST SYSTEM

The extra-cost, low-restriction Callaway Sport Exhaust System allows increased gas flow for more power and provides Callaway's authoritative, yet unobtrusive "signature tone".

POWERTRAIN CALIBRATION

Callaway's "CalCal" engine control components and electronic powertrain calibration integrate the Callaway components flawlessly, ensuring perfect drivability, 50-state emissions compliance and unconstrained warranty retention. Callaway engineers' stringent testing and validation make sure that you enjoy miles of trouble-free operation.

EXPERT VEHICLE ASSEMBLY

All Callaway Camaros are constructed by expert craftsmen at Callaway's California and Connecticut factories, according to stringent engineering specifications and conforming with OEM-style assembly practices.

AUTHENTICITY DOCUMENTATION

Callaway packages include select interior, exterior and underhood elements, distinguishing your Camaro as "The Genuine Article". Plus, every Callaway comes with an Authenticity Documentation Package specific to your vehicle, including a leather-bound Certificate of Authenticity, a welcome letter, personally signed by Reeves Callaway, and other documents.

CALLAWAY WARRANTY

Callaway's 3 Year/36,000 Mile Limited Warranty supplements the factory GM warranties, providing the most comprehensive coverage of any aftermarket manufacturer. An optional 5 Year / 60,000 Mile Powertrain Service Contract is also available.
