September 28th – October 1st, 2023

The American Speed Festival presented by Comerica Bank takes place at M1 Concourse located in Pontiac, Michigan. This motorsports event combines some of the most renowned brands in automotive performance history.

Everything from Vintage Indy cars, historic stock cars, Endurance, to modern-day Supercars will be on the M1 Circuit. This is a rare opportunity to experience racing cars in motion from every era as they go around the 1.5-mile M1 Concourse Speed Ring. This year, we are celebrating three significant automotive anniversaries, 100 years of the 24 Hours of Le Mans, 70 years of Corvette, and 50 years of the I.R.O.C. Series.
