- Satin Black Callaway Exhaust Tips
- Black Exterior Callaway Badging
- Callaway Billet Aluminum Pedal Pad Set, Hard-Anodized
- 5 Year/60,000 Mile Powertrain Service Contract
- Owner Delivery at Callaway Facilities

2026 Callaway Silverado 2500/3500 HD SC606

SUPERCHARGED, INTERCOOLED

Callaway's patented GenThree™ TVS 2650 supercharger provides 606 horsepower and 560 lb-ft of torque, 205 hp and nearly 100 lb-ft more than stock. Plus, Callaway's proprietary TripleCooled™ intercooler system employs three high-flow heat exchanger elements to reduce inlet air temperature, eliminating power loss typical of supercharged vehicles during aggressive driving. Fuel mileage is practically unchanged from stock as the supercharger's internal bypass diverts inlet air flow during idle, low-load cruising, and deceleration, allowing the supercharger rotors to spin freely.

INTAKE SYSTEM

The high-flow Callaway intake system includes a specifically configured inlet duct and low-restriction filter element to supply the supercharger with the extra air volume that it demands.

EXHAUST SYSTEM

The low-restriction Callaway exhaust system allows increased gas flow for more power and provides Callaway's authoritative, yet unobtrusive "signature tone". Stainless steel, mandrel-bent construction ensures exact fit and extended durability.

POWERTRAIN CALIBRATION

Callaway's "CalCal" engine control components and electronic powertrain calibration integrate the Callaway components flawlessly, ensuring perfect drivability and unconstrained warranty retention. Callaway engineers' stringent testing and validation make sure that you enjoy miles of trouble-free operation.

EXPERT VEHICLE ASSEMBLY

Callaway Silverados are constructed by expert craftsmen at Callaway's California and Connecticut factories, according to stringent engineering specifications and conforming with OEM-style assembly practices.

AUTHENTICITY DOCUMENTATION

Callaway packages include select interior, exterior and underhood elements, distinguishing your Silverado as "The Genuine Article". Plus, every Callaway comes with an Authenticity Documentation Package specific to your vehicle, including a leather-bound Certificate of Authenticity, a welcome letter and other Callaway documentation.

CALLAWAY WARRANTY

Callaway's 3 Year/36,000 Mile Limited Warranty supplements the factory GM warranties, providing the most comprehensive coverage of any aftermarket manufacturer. An optional 5 Year/60,000 Mile Powertrain Service Contract is also available.

AVAILABLE NOW

Sold, serviced and financed by select Chevrolet Dealers nationwide, new Callaway Silverados are ready for your purchase now. Call us at (860) 434-9002 or email us at info@callawaycars.com to speak with our staff.
